Dear Mr. Gibson:

This letter is in response to your letter dated October 24, 2002 regarding the Turner for Congress campaign committee's Amended 12 Day Pre-Primary Report.

Your letter referenced the campaign's compliance with the "best efforts" to provide contributor information.

The Turner for Congress Campaign has fully complied with the "best efforts" provision. As required by federal law, the original solicitation includes a clear and conspicuous request for the contributor information and informs contributors of the requirements of Federal Law for the reporting of such information. If the information is not provided, the campaign then sends out a request in writing which clearly asks for the missing information without soliciting a contribution; informs the contributor of the requirements of federal law for the reporting of such information; and provides a pre-addressed return envelope.

In my letter dated August 6, I provided samples of a solicitation request and follow up request. I am enclosing additional copies of these samples for your review.

We have already filed an amended report on October 9, 2002 to update contributor information and will, as we receive additional contributor information, file additional amended reports to comply with Federal Election Law.

Please do not hesitate to call me at 614/529-1394 if you have any further questions.

Thank you,

A handwritten signature in black ink that reads "Natalie Baum".
